Career Objective

Motivated MCA student with a Mathematics background and a strong interest in Artificial Intelligence and software development. Skilled in Python, JavaScript, Node.js, and SQL. Seeking an entry-level role as an AI Engineer or Software Developer to build impactful real-world solutions.

Education

AKS University, Satna (M.P.) Master of Computer Applications (MCA)	Sep 2025 – Jun 2027
Bundelkhand University Bachelor of Science (Mathematics)	Jul 2021 – Jun 2024

Technical Skills

- **Programming:** Python, JavaScript, C
- **Web Development:** HTML, CSS, Node.js, Basic Frontend Design
- **Database:** SQL, MySQL, Database Testing
- **Tools:** Git, GitHub, VS Code
- **Core Areas:** Artificial Intelligence, Web Development, Problem Solving

Projects

LPA Prediction Model

- Developed a prediction-based model using analytical and problem-solving skills.
- Implemented logic to estimate outcomes based on input parameters.
- Improved understanding of data handling and machine learning basics.

Student Exam Portal

- Built a web-based student exam portal for conducting and managing tests.
- Implemented frontend interface and backend logic using web technologies.
- Designed user-friendly interface for better student interaction.

Leadership Experience

Class Representative (CR)

- Acting as a bridge between students and faculty.
- Managed communication and coordinated academic activities.
- Strengthened leadership and communication skills.

Relevant Coursework

- Data Structures and Algorithms
- Database Management Systems (DBMS)
- Operating Systems

- Computer Networks
- Software Engineering Basics

Achievements

- Selected as Class Representative (CR) demonstrating leadership ability.
- Developed real-world academic projects in AI and web development.

Languages

- English
- Hindi

Profile Summary

- MCA student with a strong academic background in Mathematics.
- Passionate about Artificial Intelligence and software development.
- Actively building projects to improve practical knowledge.
- Quick learner with strong problem-solving ability.
